Conopatch Repair Kit

# Technical Bulletin

## Product Identification

The **Conopatch Repair Kit** is a specially designed product manufactured from a flame retardant fiberglass reinforced polyester laminate. This product was developed to repair damage to cargo liner in baggage compartments of commercial and cargo aircraft. This repair meets September 1991 requirements for new repairs as well as the March 1992 total compliance requirements for cargo liner repairs.

## Availability

- Conopatch is available in 24" x 25' rolls
- Can be purchased in a nine (9) roll carton or by the single roll
- Available for immediate delivery

## FAA Approval

- Conopatch has been approved by the FAA and meets all applicable requirements for cargo liner repairs as set forth in FAR 25.855(C), FAR 121.314, and FAR Appendix F-PART III. FAA 8110-3's can be provided upon request.
- Conopatch meets September 20, 1991 FAA requirements for new repairs as well as total compliance requirements of March 20, 1992.

## Product Advantages

- No blind drilling required
- No messy, temperature sensitive epoxies to mix
- No specialized tooling required
- Very low cost per repair

## Uses

- To upgrade existing non-compliant repairs without their removal
- To repair 2" x 10" damage and smaller
- To repair 6" x 6" damage and smaller

## Limited Warranty

Subject to the limitations set forth below, Panolam® Industries International Inc. (Panolam) expressly warrants that our products are reasonably free of defects in material and workmanship, and when properly handled and fabricated will conform, within accepted tolerances, to applicable manufacturing specifications as set forth in our technical brochure. This warranty shall extend to the original buyer for a period of twelve (12) months from the date of shipment of this product by Panolam, and shall not be assignable by the original buyer. This warranty does not cover damage resulting from accident, misuse, alteration, abuse or lack of reasonable care.

Due to the variety of uses and applications to which this product may be put, and because the manufacturer has no control over the end products fabricated, the warranty set forth above is exclusive and in lieu of all warranties, expressed or implied, in fact or by operation of law or otherwise, or arising by course of dealing or performance, custom or usage in the trade, including, without limitation, the implied warranties of fitness for a particular purpose and merchantability, and Panolam shall have no obligation or liability to any person or entity in connection with or arising from the furnishing, sale, installation or repair, use or subsequent sale of any product supplied by it.

Our maximum liability arising out of the sale of the products or their use, whether based upon warranty, contract, tort or otherwise, shall not exceed the actual payments received by us in connection therewith. In no event shall we be liable for special, incidental or consequential damages, including, but not limited to, arising hereunder or from the loss of profits, or loss of use damages, sales of the products.
