

Introducing the newest addition to our ever-growing surface offerings ...

FLAWLESS™

Fingerprint-resistant ■ Soft Touch ■ Ultra-Matte Finish

Featuring a smooth and silky feel, Panolam's **Flawless™ Collection** is smudge and scratch resistant with an ultra-matte finish. With the technology infused into the laminate and not a top layer, it is an impact resistant, highly durable and easy to clean surface eliminating those troublesome fingerprints and smudges you see on regular surfaces. Flawless is the perfect choice for those high traffic, high touch areas such as countertops, cabinets, furniture, panels, interior doors, and partitions.

We offer:

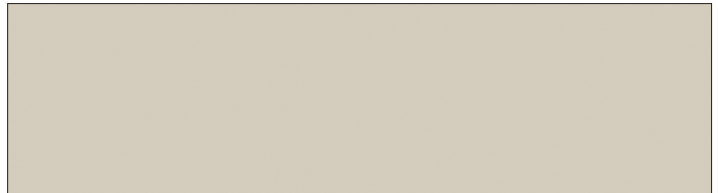

- Distinctive color options than leading competition
- Superior wear resistance and protection of the laminate's color
- Added protection during fabrication and installation thanks to superior abrasion and scuff resistance
- Greater affordability
