Liberata Aggregate

STONE
ESSENCE™

Liberata Aggregate

This pattern replicates a coarse asphalt like texture. The irregular inclusions give a varied and dynamic look with a sense of the rugged outdoors that simultaneously evokes a sense of calm. Liberata Aggregate is beautiful with just about any combination of wood grains, bringing the spa aesthetic to any interior.

- Stone Essence patterns are available to be downloaded as BIM files.

Volare Carrara

STONE
ESSENCE™

Volare Carrara

A Beautiful white marble that is in great demand for its unique varieties quarried in Italy's Carrara Region. It is a distinguished sort of Carrara marble in which elegant, softly contoured areas of white are crossed by striking swirls and veins.

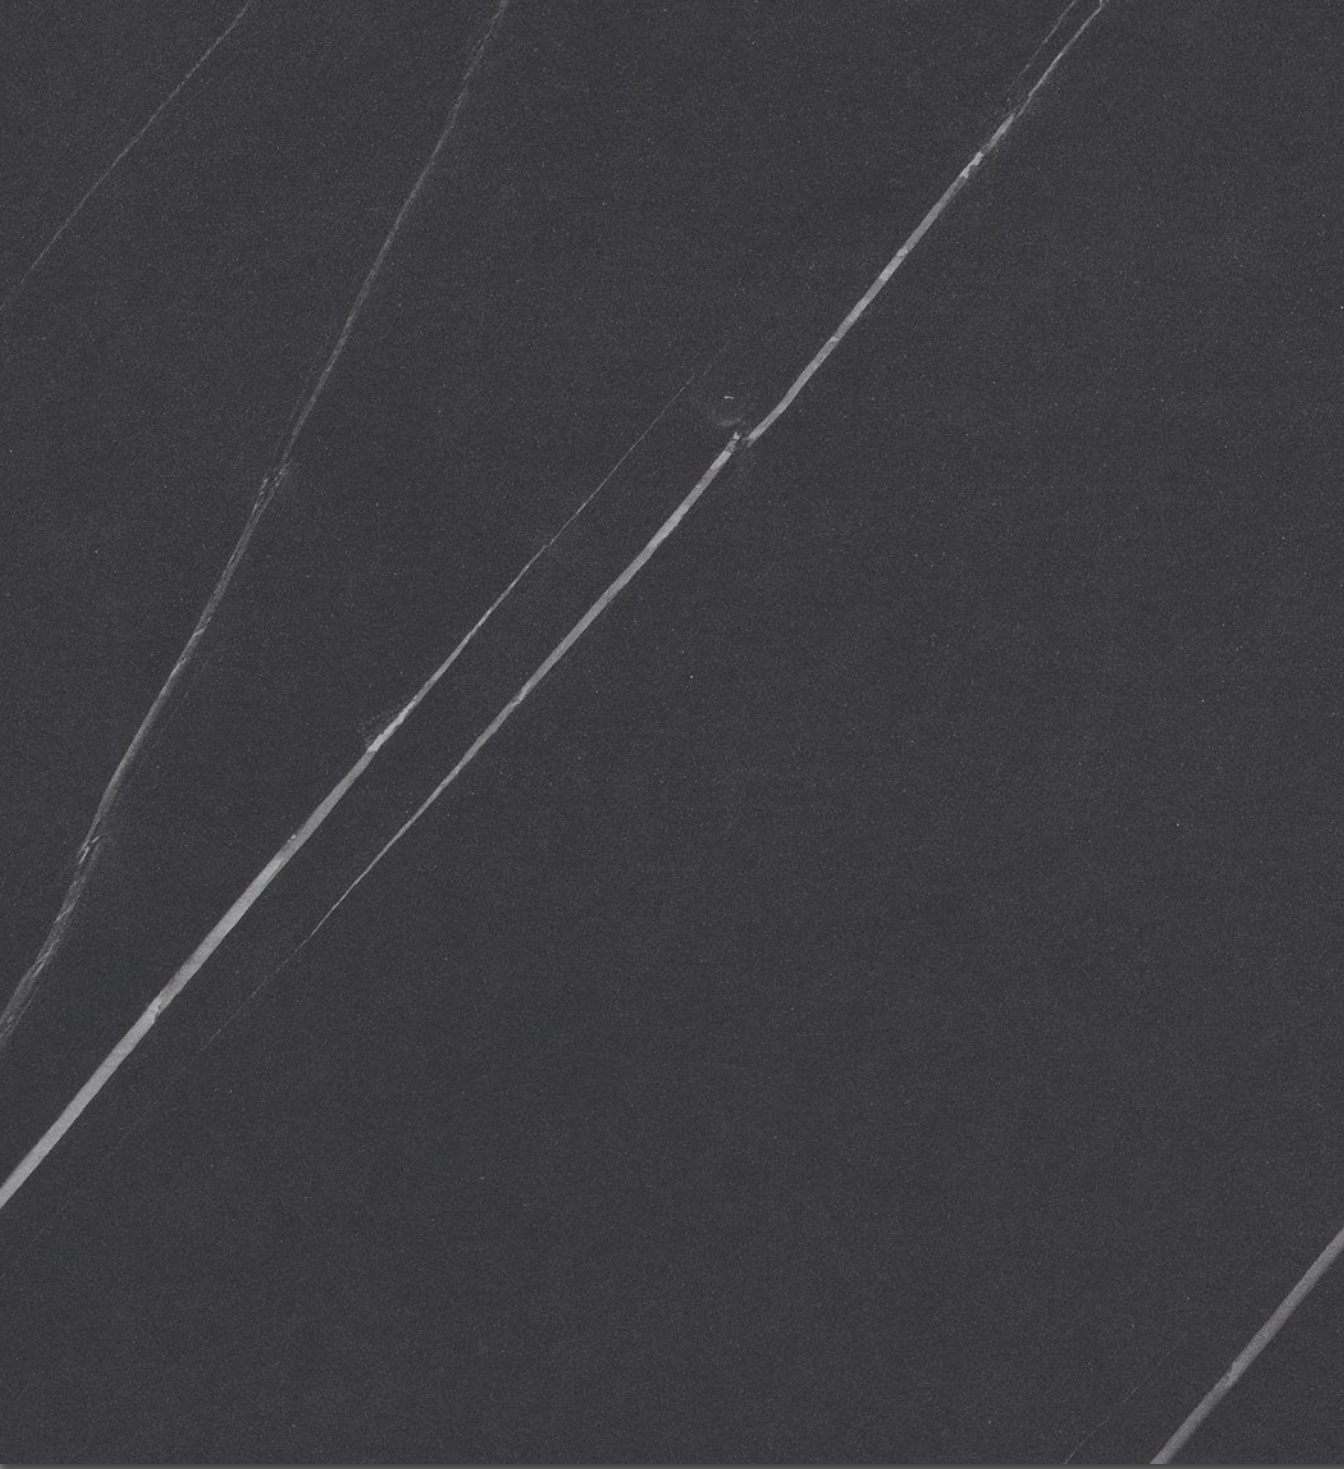

- Stone Essence patterns are available to be downloaded as BIM files.
