- For orders for over 10 sheets of non-stocked sizes, Panolam reserves the right to submit the order for production.
- Unless otherwise noted, there no additional charge for cuts (some exceptions apply).
- Unless otherwise noted for certain styles, products ordered in 30" widths will be cut from 60" sheets and must be ordered in increments of 2.

30" width size sheets must be ordered in even multiples.

**** Panolam Cutting Policy:**

- Panolam will cut a minimum of 1 sheet up to a maximum 10 sheets of larger sized panels to create non-stocked sizes to complete an order.
- For orders for over 10 sheets of non-stocked sizes, Panolam reserves the right to submit the order for production.
- Unless otherwise noted, there no additional charge for cuts (some exceptions apply).
- Unless otherwise noted for certain styles, products ordered in 30" widths will be cut from 60" sheets and must be ordered in increments of 2.

30" width size sheets must be ordered in even multiples.

**** Panolam Cutting Policy:**

- Panolam will cut a minimum of 1 sheet up to a maximum 10 sheets of larger sized panels to create non-stocked sizes to complete an order.
- For orders for over 10 sheets of non-stocked sizes, Panolam reserves the right to submit the order for production.
- Unless otherwise noted, there no additional charge for cuts (some exceptions apply).
- Unless otherwise noted for certain styles, products ordered in 30" widths will be cut from 60" sheets and must be ordered in increments of 2.

30" width size sheets must be ordered in even multiples.

**** Panolam Cutting Policy:**

- Panolam will cut a minimum of 1 sheet up to a maximum 10 sheets of larger sized panels to create non-stocked sizes to complete an order.
- For orders for over 10 sheets of non-stocked sizes, Panolam reserves the right to submit the order for production.
- Unless otherwise noted, there no additional charge for cuts (some exceptions apply).
- Unless otherwise noted for certain styles, products ordered in 30" widths will be cut from 60" sheets and must be ordered in increments of 2.

30" width size sheets must be ordered in even multiples.
